## IMPORTANT INFORMATION FOR PARTICIPANTS OF THE ONLINE WEBINAR:

- You must have a harmonical frequency device (e.g. TRIKOMBIN) in front of you so that you can follow the practical part of the workshop in the webinar.
- You should have a partner to test.
- The workshop is part of the certification process, so certificates will only be issued if you can attend all the time and provide the results for each exercise.
- If you decide to participate in the form of a webinar, please also register under the following link:  
<http://harmonikalischefrequenzen.de/en/events/webinar-workshop-i-basic-regulation-5-elements-testing-and-internal-environment-using-the-harmonical-frequency-system>
- You will receive a list of the testing kits that you will need on site for the duration of the webinar in order to be able to participate successfully in the workshop after binding registration including confirmation of registration and invoice.
